

## Eaglebrook School

### Summer 2016

Please give a brief description of your duties.	What value do you feel you added to the organization during your internship?	Did this internship meet your expectations? Why or why not?
<p>My responsibilities include: assist the teachers in the classroom, assist the housemaster in the dorm, help direct sports. In the classroom, I helped creating lesson plans (and sometimes teach the lesson). Outside of the classroom, I looked after the kids.</p>	<p>Diversity/new perspectives.</p>	<p>Yes. I got to experience what it's like to teach and deal with kids.</p>
Would you recommend this internship to another student? Why or why not?	If you could change one thing about your internship experience, what would it be and why?	Please provide any additional information regarding your internship that you feel students should know.
<p>Yes. It was fun and a good first step for those who want to teach.</p>	<p>I wish it was longer. I felt like I just got to know the kids, as well as the staff.</p>	<p>Be prepared to work with kids from different backgrounds. Also be patient when dealing with kids who are not as obedient.</p>
