Summer 2016

Please give a brief description of your duties.	What value do you feel you added to the organization during your internship?	Did this internship meet your expectations? Why or why not?
I worked on a team related search ads as a software engineering intern.	I feel like I helped my team develop tools to make other's work easier.	Yes, I feel like I learned a lot that will be relevant to my career.
Would you recommend this internship to another student? Why or why not?	If you could change one thing about your internship experience, what would it be and why?	Please provide any additional information regarding your internship that you feel students should know.
Yes, because it is a well-established internship program and a lot of support is provided to you.	I would have lived closer to my actual work place.	N/A
