

iD Tech

Summer 2015

Please give a brief description of your duties.	What value do you feel you added to the organization during your internship?	Did this internship meet your expectations? Why or why not?
<p>My responsibilities were to prepare lesson plans, and teach a class with up to 8 students. Socialize with families during points of contact.</p>	<p>I'm really energetic and easy going. This let me to bring the new energy to this team. I'm also really hardworking. In order to stand out from others. I always put some extra effort for my project. I have a very strong desire to help others.</p>	<p>Yes. I learned lots of new skills through this internship. In particular, I had a great improvement on my communication skills. I can stand in front of the parents and give a little speech which I never did before. I gained some experienced about web design.</p>
Would you recommend this internship to another student? Why or why not?	If you could change one thing about your internship experience, what would it be and why?	Please provide any additional information regarding your internship that you feel students should know.
<p>Yes. This internship experience is really unique. It's really interesting and every day is different. Instead of sitting in front of the computer all day. It lets us to interact with other people. It also needs a strong academic background.</p>	<p>I want to have a longer internship experience. This internship is 7- weeks long, it's a little bit short. I just adapt to this company culture and it's almost the last week. I still need learn lots of new things.</p>	<p>Not applicable.</p>
