THE POST-INTERVIEW EVALUATION

After your interview answer the following questions and reflect on your interview experience.

1. Which questions did you have trouble answering?

2. Did you portray confidence and maintain poise?

3. How well did you handle stressful situations?

4. How did you feel about the way you answered your questions?

5. How did you do with your questions for the interviewers?

6. Were there any key experiences or personal qualities that you did not manage to convey?

7. What interviewing weaknesses were revealed and what can you do to improve?

8. What surprises did you encounter in the process?

9. What impression do you have of the school?

10. How can you better prepare for next time?
