

VETERINARY MEDICAL SCHOOL PREREQUISITE COURSES TIME LINE

This **example of a typical 3 year plan** is designed to be used with **the prerequisite courses pdf** and **the individual veterinary school websites**.

For students who start pre-health professions after freshman year it is common to have a **bridge year or years after undergraduate school** during which you continue to prepare for and apply to professional schools. **Regardless of when you begin, plan on at least 3 years to prepare for professional school.**

INDIVIDUAL SCHOOLS MAY REQUIRE OR RECOMMEND ADDITIONAL COURSES NOT INCLUDED HERE. Check individual school admissions websites for current information and details.

For **COURSE OPTIONS** and **DETAILS** see the **PREREQUISITE COURSES pdf** on the [**PRE-VETERINARY PATHWAY**](#) page **under PREREQUISITES & TIME LINE**

Work with your academic advisor to incorporate these courses into your personal degree plan. Your personal time line may differ from this sample.
