

OCCUPATIONAL THERAPY PREREQUISITE COURSES TIME LINE

This is an **example** of how to complete prerequisite courses for the **Texas Occupational Therapy programs**.

Six semesters, regardless of the student's age or year in college, are generally required to complete the pre-occupational therapy courses and extra-curricular activities.

Many students **finish prerequisites in Year 4 or later** and have a **bridge year or years** during which they continue to prepare for and apply to professional schools.

For **COURSE OPTIONS & DETAILS** see the **PREREQUISITE COURSES PDF** on the [PRE-OCCUPATIONAL THERAPY PATHWAY page under PREREQUISITES & TIME LINE](#)

**Use this as a guide. Your personal time line may differ.
Consult your academic advisor for help incorporating these courses into your degree plan.**

Some schools require completion of prerequisites by the time of application or application deadline.

SEMESTER 1

CH 301
BIO 311C

SEMESTER 2

BIO 311D
CC 306M
PSY 301

Summer

Technical Writing

SEMESTER 3

BIO 325
SDS 302F or SDS 320E
SOC 302

SEMESTER 4

BIO 446L
PSY 333D or EDP 363M-6
or EDP 350E

Summer

PHY 302K
PHY 105M

SEMESTER 5
