

Megalomedia

Fall 2018

Please give a brief description of your duties.	What value do you feel you added to the organization during your internship?	Did this internship meet your expectations? Why or why not?
Network with brands to deliver and sell prospective television series pitches	It gave me new skills and it taught me how to express my creativity.	Yes, I learned a lot about pre-production and how the media world works. I can use this knowledge in my future career.
Would you recommend this internship to another student? Why or why not?	If you could change one thing about your internship experience, what would it be and why?	Please provide any additional information regarding your internship that you feel students should know.
Yes, the experience is very helpful and the individuals that work there genuinely want to me succeed and gain knowledge from this internship.	I wish I would have worked a little more in editing as well has gained some hands on experience in production. Most of the duties that I had involved research.	I really enjoyed this internship and it is a great internship to add to my resume. I am very grateful that I was given this opportunity.
